Participant Consent Form

Perceptions of Climate Change

I (the participant) confirm that I am above 18 years of age and have read the information provided. I agree to participate in this research project, realizing that I may withdraw at any time without reason and without prejudice.

I understand that all identifiable information that I provide is treated as confidential and will not be released by the investigator in any form that may identify me unless I have consented to this. The only exception to this principle of confidentiality is if this information is required by law to be released.

Please mouse click on the “Yes” button below if you consent to take part in this study, otherwise mouse click on the “No” button if you do not consent to take part in this study.

Yes

No

Approval to conduct this research has been provided by Lancaster University, in accordance with its ethics review and approval procedures. Any person considering participation in this research project, or agreeing to participate, may raise any questions or issues with the researchers at any time.

In addition, any person not satisfied with the response of researchers may raise ethics issues or concerns, and may make any complaints about this research project by contacting the Faculty of Science and Technology Research Ethics Committee at Lancaster University by emailing fst-ethics@lancaster.ac.uk.

All research participants are entitled to retain a copy of any Participant Information Form and/or Participant Consent Form relating to this research project.
